## IN THE POLITICAL FIELD.

### ACTIVE TIME ANNOUNCED OF THE VARIOUS CAMPAIGNS.

The Connecticut Congressional District in the Democratic Press and the Democratic Opposition—Eastern Iowa Which Does Not Like Colonel Weaver Expect to Have Some Excitement for Sport—The Campaign in Illinois.

Kentucky.

LOUISVILLE, Ky., Sept. 24.—[Special.]—Colonel Breckinridge is thinking seriously of taking the stump in behalf of Senator Beck, and it is probable that he will do so. The Democratic managers are very anxious to have the Colonel's name appear on the electoral ticket, and it is thought that he will consent to do so. The Democratic managers are also anxious to get Governor Knott to take the stump, but it is not likely that he will do so. The Republicans have a majority of about 2,000 in the Congressional district which includes Louisville, and the Democrats are making special efforts to bring out a full vote, and an overwhelming majority is expected. Governor Knott has been invited to speak in this district, and it is thought that his presence will insure a full vote. The Democratic managers are also making special efforts to bring out a full vote in the Ninth district, which includes Henderson, Owensboro, and other large towns. The Democratic majority in this district is usually about 1,500, but the Republicans are making special efforts to overcome this majority, and it is believed that the Republican candidate, Mr. Hunter, will be elected. The Democratic managers are also making special efforts to bring out a full vote in the Eighth district, which includes Bowling Green, Hopkinsville, Russellville, and other towns. The Democratic majority in this district is usually about 1,500, but the Republicans are making special efforts to overcome this majority, and it is believed that the Republican candidate, Mr. Hunter, will be elected
